C O N D O M I N I U M P L A N

Notes and Definitions

1. This project consists of all of the land and real property included within Lot 1 of Park Villas North Subdivision, in the City of San Diego, County of San Diego, State of California, as shown on Map No. 9604, in the office of the County Recorder, of said County, on MAR. 31, 1980 as file No. 80-109265
2. The "Common Area" is all of the land and real property included within the boundary lines of this project, except those portions shown and defined herein as Units 1 thru 296.
3. All units are composed of Air Space elements as tabulated on Sheets 9 thru 11.
4. The following are not a part of a Unit:
Bearing walls, columns, vertical supports, horizontal supports, floors, roofs, foundations, beams, central services, pipes, ducts, flues, chimneys, wires and other utility installations, wherever located, except the outlets thereof when located within a Unit.
5. Each of the Air Space elements "A" is the dwelling element within a building built and located within this project. The boundaries of each element are the interior finished surfaces of the perimeter walls, floors, ceilings, windows and doors thereof and each such first floor includes the surfaces so described, the portions of the building and improvements lying within said boundaries (except as stated in Note 4) and the air space so encompassed.
6. Each of the Air Space elements "A-1" is the first level of a two story dwelling element within a three story building built and located within this project. The boundaries of each element are the interior finished surfaces of the perimeter walls, floors, ceilings, windows and doors thereof and each such first level includes the surfaces so described, the portions of the building and improvements lying within said boundaries (except as stated in Note 4) and the air space so encompassed.
7. Each of the Air Space elements "A-2" is the second level of a two story dwelling element within a three story building built and located within this project. The boundaries of each element are the interior finished surfaces of the perimeter walls, floors, ceilings, windows and doors thereof and each such second level includes the surfaces so described, the portions of the building and improvements lying within said boundaries (except as stated in Note 4) and the air space so encompassed.
8. Each of the Air Space elements designated as P, P-1, and P-2 are patios. The boundaries of each such patio are as follows:
 - (A) The lower and upper vertical boundaries are horizontal planes at the elevations shown on "Tabulation of Air Space Elements" sheets 9 thru 11.
 - (B) The lateral boundaries are the exterior finished surfaces of the perimeter walls, windows and doors of the adjoining building walls, where they exist, otherwise the lateral boundaries are vertical planes at the limits of the horizontal dimensions as shown hereon.

No. 119869
25
80.

Notes and Definitions (cont'd)

9. Each of the Air Space elements designated as "B" are balconies. The boundaries of each such balcony are as follows:
- (A) The lower and upper vertical boundaries are horizontal planes at the elevations shown on "Tabulation of Air Space Elements" sheets 9 thru 11.
 - (B) The lateral boundaries are the exterior finished surfaces of the perimeter walls, windows and doors of the adjoining building walls, where they exist, otherwise the lateral boundaries are vertical planes at the limits of the horizontal dimensions as shown hereon.

Each such balcony includes only the air space so encompassed by said boundaries.

10. All air space boundary lines intersect at right angles unless otherwise noted, except the upper vertical limits of those areas designated (M) which are inclined planes which slope between the finished floor and finished ceiling elevations given herein on the "Tabulation of Air Space Elements" sheets 9 thru 11.
11. All tie lines to air space boundary lines are at right angles to survey lines and boundary lines, unless otherwise noted.
12. The wall thickness between patio and living areas or balconies and living areas is 0.40 feet unless otherwise noted.
13. Each of those numbered rectangular areas shown on the "PARKING PLAN" of this map depict a parking space and is part of the common area. The boundaries of each such parking space are as follows:
- (A) The lower vertical boundary is the ground surface thereof.
 - (B) The upper vertical boundary is a horizontal plane parallel to, and 7.00 feet above the lower vertical boundary.
 - (C) The lateral boundaries are vertical planes at the limits of the horizontal dimension shown on the plan herein.

Each such parking space includes only the air space encompassed by said boundaries.
