

Park Villas North Condominium Association

Approved Screen Door

Effective September 12, 1997, the following screen door is the only screen door authorized for installation by the Board of Directors. The color of the doors must match the color of the existing screen doors already installed throughout the complex; the color is a dark bronze (not a light or antique bronze).

Manufacturer: Superior

Model: Model # 3616-C, "Centurion"

Color: Dark Bronze

Pursuant to Article IX of the Park Villas North Rules and Regulations, please make sure that you present plans for any outside modifications to your unit to the Board of Directors for approval before moving forward with the work.
