## **DO NOT BRING DOGS IN TO THE MAIL ROOM**

Since we have so many dogs at Park Villas North and they are constantly coming in contact with each other which can lead to confrontations, it is best to leave your dog at home and not bring them to the mail room. Dogs are not allowed in the mail room and hitching them up outside can lead to confrontations with other dogs while you are in the mailroom and not in control of your pet.

If you have any questions with regard to this, please call Brad at Howerton at (858) 569-1793.
