National Night Out is a unique crime prevention event and an effort to make Neighborhood Watch visible in the community. The National Night Out campaign involves citizens, law enforcement agencies, civic groups, businesses, neighborhood organizations and local officials from over 15,000 communities from all 50 states, U.S. territories, and military bases. It is designed to heighten crime awareness; generate participation in local anticrime programs; strengthen neighborhood spirit and police-community partnerships; and send a message to criminals letting them know that neighborhoods are organized and fighting back.
